Disney and Pixar Cars Color Changers 1:55 Scale Toy Car or Truck (Styles May Vary)

Disney Pixar Cars Flash McQueen:

Inspired by characters from Disney and Pixar Cars movies and series, these 1:55 scale vehicles change their colour when dipped in water! Drive the colour-shifting adventures by dunking the toy car or truck in very warm water to change. Change it back by dunking it in icy cold water! Kids will love creating the transformation when they dunk their colour-changing cars into very warm water for one look, then icy cold water to change them back. It's like two paint jobs in one! Choose a favourite character or kids can collect them all for the ultimate transforming fleet. Each sold separately. Colours, styles and decorations may vary.
