Samsung UE55JS8005T 139,7 cm (55") 4K Ultra HD Smart TV Wi-Fi Silver:

The most superior UHD picture quality experience

With picture quality that offers four times the detail of Full HD, the JU6400 produces stunningly bright and clearer images. Thanks to PurColour technology, even the most vibrant colours blaze to life as everything shown on the screen is expressed with richer true-to-life tones.

Contrast Enhancer

Flat images come to life with Samsung's Contrast Enhancer. Your TV intelligently applies varying levels of contrast enhancement to different areas and objects on the screen creating a dramatic 3D-like effect. It's the most realistic viewing experience possible on a flat screen TV.
