

## LG P1-JDGCG laptop Intel®Core™ Duo 39,1 cm (15.4") 1 GB DDR2-SDRAM 100 GB AMD Mobility Radeon X1400 Windows XP Home Edition

Marca : LG

Código del producto: P1-JDGCG

Nombre del producto : P1-JDGCG

LG P1-JDGCG. Familia de procesador: Intel®Core™ Duo, Frecuencia del procesador: 1,73 GHz. Diagonal de la pantalla: 39,1 cm (15.4"), Resolución de la pantalla: 1280 x 800 Píxeles. Memoria interna: 1 GB, Tipo de memoria interna: DDR2-SDRAM. Capacidad total de almacenaje: 100 GB, Tipo de unidad óptica: DVD Super Multi DL. Modelo de adaptador de gráficos discretos: AMD Mobility Radeon X1400. Sistema operativo instalado: Windows XP Home Edition. Peso: 2,78 kg

| Exhibición                                  |                           | Puertos e Interfaces                |                                   |
|---------------------------------------------|---------------------------|-------------------------------------|-----------------------------------|
| Diagonal de la pantalla *                   | 39,1 cm (15.4")           | Cantidad de puertos VGA (D-Sub)     | 1                                 |
| Resolución de la pantalla *                 | 1280 x 800 Píxeles        | Puertos corta fuegos (IEEE 1394)    | 1                                 |
| Relación de aspecto nativa                  | 16:10                     | Salidas para auriculares            | 1                                 |
| Procesador                                  |                           | Puerto de salida S/PDIF             | ✓                                 |
| Fabricante de procesador *                  | Intel                     | Entrada de micrófono                | ✓                                 |
| Familia de procesador *                     | Intel®Core™ Duo           | Entrada de línea                    | ✓                                 |
| Frecuencia del procesador *                 | 1,73 GHz                  | Conector base                       | ✓                                 |
| Caché del procesador                        | 2 MB                      | Ranura ExpressCard                  | ✗                                 |
| Tipo de cache en procesador                 | L2                        | Cantidad de ranuras, CardBus PCMCIA | 1                                 |
| Procesador bus frontal                      | 533 MHz                   | Tipo de ranura, CardBus PCMCIA      | Tipo II                           |
| Memoria                                     |                           | Ranura SmartCard                    | ✗                                 |
| Memoria interna *                           | 1 GB                      | Puertos de módem (RJ-11)            | 1                                 |
| Tipo de memoria interna                     | DDR2-SDRAM                | Salida de TV                        | ✓                                 |
| Diseño de memoria (ranuras x tamaño)        | 2 x 0.5 GB                | Tipo de salida TV                   | S-Video                           |
| Medios de almacenaje                        |                           | Desempeño                           |                                   |
| Capacidad total de almacenaje *             | 100 GB                    | Chipset de tarjeta madre            | Intel® 945PM Express              |
| Interfaz del HDD                            | SATA                      | Teclado                             |                                   |
| Velocidad de rotación del HDD               | 5400 RPM                  | Dispositivo apuntador               | Touchpad + zona de desplazamiento |
| Tipo de unidad óptica *                     | DVD Super Multi DL        | Diseño de teclado                   | QWERTY                            |
| Lector de tarjeta integrado                 | ✓                         | Software                            |                                   |
| Gráficos                                    |                           | Sistema operativo instalado *       | Windows XP Home Edition           |
| Modelo de adaptador de gráficos discretos * | AMD Mobility Radeon X1400 | Batería                             |                                   |
| Adaptador de gráficos discreto *            | ✓                         | Número de celdas de batería         | 6                                 |
| Memoria máxima del adaptador de gráficos    | 0,5 GB                    | Capacidad de batería                | 5200 mAh                          |
| Audio                                       |                           | Duración de la batería (máxima)     | 3,5 h                             |
| Sistema de audio                            | 5.1 Dolby Digital         | Control de energía                  |                                   |
| Potencia de altavoz                         | 3 W                       | Potencia de adaptador AC            | 90 W                              |
|                                             |                           | Enchufe de entrada de CC            | ✓                                 |

| Cámara fotográfica            |      | Peso y dimensiones                     |              |
|-------------------------------|------|----------------------------------------|--------------|
| Cámara frontal                | ✗    | Ancho                                  | 355,2 mm     |
| Red                           |      | Profundidad                            | 261,2 mm     |
| Características de red        | WLAN | Altura                                 | 31,7 mm      |
| Bluetooth                     | ✓    | Peso *                                 | 2,78 kg      |
| Puertos e Interfaces          |      | Otras características                  |              |
| Cantidad de puertos USB 2.0 * | 3    | Puerto de datos infrarrojo             | ✗            |
| Puertos Ethernet LAN (RJ-45)  | 1    | Cumplimientos estándar de la industria | 802.11 a/b/g |
| Puerto DVI                    | ✗    | Puerto de entrada de TV                | ✗            |
|                               |      | Modem interno                          | ✓            |
|                               |      | Velocidad de módem                     | 56 Kbit/s    |
